Steps to get a puppy

WHEN YOU DECIDE TO PURCHASE A CORGI FROM GSWCORGIS.COM, HERE'S WHAT YOU CAN EXPECT:

1. Application Process: Fill out the application, and once received, we'll promptly inform you of the availability of current or future litters.
2. Deposit for Reservation: If you're interested in a puppy from an available litter, a non-refundable deposit of \$300.00 is required to secure your chosen puppy. Deposits are only accepted after the birth and well-being of the puppies are confirmed.
3. Tail Options: Decide whether you want to keep the tail on your Pembroke Welsh Corgi. This decision must be made within the first 2-3 days after birth.
4. Payment and Flight Details: Upon selecting your puppy, we'll provide you with the information for making your E-transfer deposit. Inform us of the airport for your puppy's arrival if you're located outside Manitoba. The \$300.00 deposit is non-refundable, and once received, we'll confirm and keep you updated with regular "Pup dates."
5. Puppy Information Section: Check our website's "PUPPY INFORMATION" section for details on preparing for your puppy's arrival, including supplies, training tips, and more.
6. Waiting Period: The challenging part is waiting for your puppy to reach 8-9 weeks old.
7. Shipping Outside Manitoba: For those outside Manitoba, we coordinate and schedule your puppy's flight through West Jet Pet Cargo. Final payment, including flight/crate costs, is required before boarding.
8. Ownership Confirmation: Once the final payment is received, congratulations! You are now the proud owner of a GswCorgis Pembroke Welsh Corgi.
9. Shipping Information: Provide your full name, mailing address, home phone, and an alternate cell number. If someone else is picking up the puppy, their information is required.
10. Post-Purchase Support: We'll stay in touch, providing updates and assistance as needed. Feel free to contact us with any questions or concerns.
